Loose Leaf Teas

Enjoy a pot of signature loose leaf tea which is sourced locally from Golden Monkey Tea Company in Warwick.

Moor Hall Blend - English Breakfast

A robust, full-bodied tea with a marvellously dark infusion of malty spiciness and light floral undertones. When accompanied by a light dash of milk, it produces a comforting aroma eerily similar to warm toast and honey.

Serenity

A harmonious balance of apple and dragon fruit pieces, citrus notes and lemongrass. The infusion is dotted with rainbow flower petals and has a glorious soft pink liquor.

Piña Colada

Dotted with pineapple cubes and coconut flakes, the end result is an uplifting green tea that has a hint of sweetness and lingering Piña Colada flavours with every sip.

Earl Grey

Our blend is composed of tea from the top growing regions in Sri Lanka with the addition of Yunnan tea beautifully flavoured with naturally zingy bergamot oil.

Pekoe Jasmine

This sweet blend is full of blossoms, which leaves an intense, flowery jasmine taste and scent.

Balance Tea

According to Ayurvedic teaching, this blend is soothing and balancing. Sweet and gentle in taste, with a delicate floral note.

Secret Garden

Strawberry slices, whole peppermint leaves, gorgeous peony blossoms and large hibiscus flowers are blended together to create the perfect berry and mint infusion.

Strawberry Chocolate Espresso

Perfectly balanced and harmoniously in unison. Delicious cocoa peel, strawberry pieces and coffee beans are masterfully blended with black tea.
